AD/BAe 146/41 Call Panel Mountings 3/92

Applicability: Model 146 with the following constructor's numbers:

Series 200, 200A

E2170 E2176 E2178 E2180

E2184 E2192 E2196

Series 300, 300A

E3171 E3173 E3175 E3177

E3179 E3185 E3190 E3191

E3195 E3197

Requirement: Action in accordance with Mandatory British Aerospace 146 Service Bulletin 25-294-36108B.

Compliance: Unless already accomplished; prior to 6 June 1992.

Background: Tests have shown that the 2L Call Panel Mountings do not meet the current cabin interior material flammability requirements.
