

Auxiliary Power Units

---

**AD/APU/14**

**TSCP700 First Stage LPC Disc**

**3/98**

**Applicability:** AlliedSignal Inc. TSCP700 series auxiliary power units (APUs) incorporating stage one low pressure compressor (LPC1) disc, P/No 3606429-1.

**Requirement:** Remove from service affected TSCP700 LPC1 discs in accordance with AlliedSignal Service Bulletin TSCP700-49-7266.

*Note: FAA AD 97-19-18 also refers*

**Compliance:** As specified in the requirement document, with a revised effective date of 26 February 1998.

This airworthiness directive becomes effective 26 February 1998.

**Background:** The manufacturer has advised there has been LPC1 disc rim separation events. Subsequent investigation has resulted in a reduction in the LPC1 life limit.
