AD/BAe 146/19 Air Cruisers Evacuation Slide/Slide Raft 9/90 DM

Applicability: All models equipped with slide or slide raft systems that are pre-mod HCM 70440B.

Requirement: Action in accordance with BAe SB 25-198.

Note: UK CAA AD 008-05-90 refers.

Compliance: Prior to 31 July 1990.

Background: There has been a report of a slide failing to deploy correctly due to an incorrectly routed slide valve release cable.
