AIRWORTHINESS DIRECTIVE

For the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/BEECH 300/1.

Beechcraft 300 Series Aeroplanes

AD/BEECH 300/1 Cockpit D Side Window 12/2003

Requirement: CANCELLED.

Background: This AD originally became effective in September 1991 and referenced FAA AD 91-12-11. The AD required replacement of cast acrylic windows within 12 months after 5 September 1991. Since the time limit for accomplishment of the AD requirement has passed, the AD is no longer required and is therefore cancelled.

David Villiers
Delegate of the Civil Aviation Safety Authority

13 October 2003

The above AD is notified in the *Commonwealth of Australia Gazette* on 5 November 2003.
