
AIRWORTHINESS DIRECTIVE

On the commencement date specified below, and for the reasons set out in the background section, this airworthiness directive (AD) is repealed by CASA ADCX 007/17.

Airbus A319, A320 and A321 Series Aeroplanes

AD/A320/139

Centre Wing Box Upper Stringers

9/2017

Requirement: CANCELLED.

This AD is cancelled on 5 May 2017.

Background: This AD mandated the requirements of DGAC France AD 2002-341(B) and was applicable to Airbus A320-111 aircraft. Airbus has surrendered the Type Certificate for this aircraft model and EASA subsequently withdrew the DGAC AD from their website. As a result, this AD has been cancelled.
