AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CRESCO/7.

Pacific Aerospace Corporation Cresco Series Aeroplanes

AD/CRESCO/7 Engine Mount Structure 5/2006

Requirement: CANCELLED.

This AD is cancelled on 11 May 2006.

Background: The New Zealand Civil Aviation Authority (NZ CAA) has cancelled their Airworthiness Directive (AD) DCA/CRESCO/8 as the requirements of this AD are now contained in the Airworthiness Limitation Section of the Maintenance Manual (Chapter 04). Therefore as the Australian AD was based on the NZ AD, the Australian AD has also been cancelled.

David Villiers
Delegate of the Civil Aviation Safety Authority

31 March 2006
