
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, this AD is revoked by CASA ADCX 007/11.

Avions de Transport Regional ATR 42 Series Aeroplanes

AD/ATR 42/22	Vertical Stabilizer - Fin Tip Upper Closure Rib	7/2011
---------------------	--	---------------

Requirement: CANCELLED.

This AD is cancelled on 15 April 2011.

Background: This Airworthiness Directive specified SB ATR 42-55-0012 Revision 1 and was based on DGAC AD F-2005-059. This DGAC AD has been superseded by EASA AD 2006-0303 which also specifies SB ATR 42-55-0012 Revision 1.

EASA AD 2006-0303 is mandated in Australia by AD/ATR 42/6 so this Airworthiness Directive is no longer required.
