

Boeing 747 Series Aeroplanes

---

**AD/B747/30**

**Off-Wing Slides Mechanical  
Restraints - Modification**

**2/82**

Applicability: All models 747 equipped with B.F. Goodrich off-wing slides.

Document: 1. FAA AD 80-25-03, Amendment 39-3982; or  
2. B.F. Goodrich SB No. 25-054.

Compliance: As per Requirement Document.

Background: Modified shear pin mechanical restraints have greatly increased reliability of slide deployment.
