
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/B-2/9.

Brantly B-2 Series Helicopters

AD/B-2/9 **Main Transmission Mount - Reinforcement** **6/2009**

Requirement: CANCELLED.

This AD is cancelled on 4 June 2009.

Background: This AD, issued in 1960, required modification of the main transmission mount in accordance with Brantly SB No. 5 to reinforce the mounts. The AD compliance was forthwith. As all aircraft would have been modified, the AD is no longer required.

David Villiers
Delegate of the Civil Aviation Safety Authority
