
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/B-2/24.

Brantly B-2 Series Helicopters

AD/B-2/24

**Rudder Control Post Upper
Attachment - Modification**

6/2009

Requirement: CANCELLED.

This AD is cancelled on 4 June 2009.

Background: This AD, issued in 1965, required replacement of the aluminium rudder control posts upper attachment brackets in accordance with Brantly SB No.19 with steel brackets. The AD compliance was forthwith. As all aircraft would have been modified, the AD is no longer required.
