## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/AA-5/18.

---

### **Gulfstream (Grumman American/ American Aviation) AA-5 Series Aeroplanes**

**AD/AA-5/18                      Circuit Protection Separation - Modification                      6/2009**

Requirement:    CANCELLED.

This AD is cancelled on 4 June 2009.

Background:    This AD, issue in 1977, required modification of the circuit protection. The AD compliance was within 100 hours time in service after 28 February 1977. As all aircraft would have been modified by now, the AD is no longer required.
