## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/AC-SNOW/2.

---

### Ayres Thrush (Snow) Commander Series Aeroplanes

**AD/AC-SNOW/2**

**Agricultural Equipment  
Boom Support - Modification**

**9/2008**

Requirement: CANCELLED.

This AD is cancelled on 28 August 2008.

Background: This unique Australian AD, raised in 1966 against Aero Commander Service Letter (SL) No. 41, required a modification to provide additional boom support. Compliance was required forthwith. As all affected aircraft would have been modified by now, this AD is no longer required.

David Villiers  
Delegate of the Civil Aviation Safety Authority

18 July 2008
