Twin Commander (Gulfstream/Rockwell/Aerocommander 500, 600 and 700) Series Aeroplanes

AD/AC/14 Clear Vinyl Covers in Cabin Interior - Removal 8/2008

Requirement: CANCELLED.

This AD is cancelled on 31 July 2008.

Background: This unique Australian AD, issued prior to 1965 against Aero Design (also known as Aero Commander) Service Bulletin (SB) No. 59, required clear vinyl covers to be removed from cabin interiors to meet the requirements for flash resistant materials to be used in aircraft cabins. Compliance was required forthwith. As all affected aircraft would have been modified long ago, this AD is no longer required.
