
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/AC/45.

Twin Commander (Gulfstream/Rockwell/Aerocommander 500, 600 and 700) Series Aeroplanes

AD/AC/45 Nose Wheel Tyre - Inspection and Replacement 3/2008

Requirement: CANCELLED.

This AD is cancelled on 13 March 2008.

Background: This is a unique Australian AD, issued in 1971, requiring a one off replacement of a 4 ply nose wheel tyre with a 6 ply rated tyre. As all affected aircraft would have now accomplished this requirement, the AD is now obsolete.

David Villiers
Delegate of the Civil Aviation Safety Authority

31 January 2008
