
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CERES/5 Amdt 1.

C.A.C. CA-28 (Ceres) Series Aeroplanes

AD/CERES/5 Pilots Safety Harness Inertia Reel - Installation 4/2009 Amdt 1

Requirement: CANCELLED.

This AD is cancelled on 9 April 2009.

Background: This unique Australian AD was first raised in 1968 to require modification to pilots shoulder harnesses. Compliance was required before 1 July 1968.

As all affected aircraft would have been modified long ago, this AD is no longer required.

David Villiers
Delegate of the Civil Aviation Safety Authority

26 February 2009
