
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 150/3.

Cessna 150, F150, 152 & F152 Series Aeroplanes

AD/CESSNA 150/3

Map Case

2/2008

Requirement: CANCELLED.

This AD is cancelled on 14 February 2008.

Background: This is a unique Australian AD issued in January 1961 requiring a brace to be installed on the map case to prevent vertical movement. Cessna shipped the required components to all Distributors who, based on their records had received 1961 model 150's prior to the effective serial. This was a one time action and as such the AD is now considered obsolete.
