
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 150/19.

Cessna 150, F150, 152 & F152 Series Aeroplanes

AD/CESSNA 150/19

Seat Frame

2/2008

Requirement: CANCELLED.

This AD is cancelled on 14 February 2008.

Background: This AD was issued in January 1971 to ensure additional reinforcement of the seat bottom frame and seat back attachment arms. This affected only aircraft with reclining seat backs that have been moved further aft to provide additional leg room. As all aircraft would have completed this modification, the unsafe condition no longer exists.

David Villiers
Delegate of the Civil Aviation Safety Authority
