
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 150/27.

Cessna 150, F150, 152 & F152 Series Aeroplanes

AD/CESSNA 150/27

Seat Frame

2/2008

Requirement: CANCELLED.

This AD is cancelled on 14 February 2008.

Background: This is a unique Australian AD issued on 28 Feb 1978. This AD required a one off modification to reinforce the seat frame on certain Cessna Aerobat aircraft. The AD was issued after an incident overseas when a seat back failed during an aerobatic manoeuvre. As all affected aircraft would have now installed the modification, the unsafe condition no longer exists.
