## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 180/4 Amdt 1.

---

### Cessna 180, 182 and Wren 460 Series Aeroplanes

**AD/CESSNA 180/4  
Amdt 1**

**Engine Mount**

**10/2008**

Requirement: CANCELLED.

This AD is cancelled on 25 September 2008.

Background: This unique Australian AD, issued in 1980, required a visual inspection of the engine mounts in the vicinity of the weld joints. This inspection requirement is adequately covered in Schedule 5 and the manufacturer's maintenance manual and therefore the AD is no longer required.

David Villiers  
Delegate of the Civil Aviation Safety Authority

12 August 2008
