
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 180/40 Amdt 1.

Cessna 180, 182 and Wren 460 Series Aeroplanes

**AD/CESSNA 180/40
Amdt 1**

Main Gear Wheel Assemblies

7/2008

Requirement: CANCELLED.

This AD is cancelled on 3 July 2008.

Background: This airworthiness directive, issued in 1974, required a modification to the main gear wheel assemblies by replacing the 1/4 inch wheel through bolts with 5/16 inch cap screws in accordance with Cessna Service Letter SE 74-8. As all aircraft would have been modified by now, the AD is no longer required.

David Villiers
Delegate of the Civil Aviation Safety Authority

6 May 2008
