
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 185/4.

Cessna 185 Series Aeroplanes

AD/CESSNA 185/4

Tail Wheel Assembly

7/2008

Requirement: CANCELLED.

This AD is cancelled on 3 July 2008.

Background: This unique Australian AD, issued in 1963, required modification to the tail wheel in accordance with Cessna service letter SE 62-73 to improve the service life on the locking mechanism. The AD required compliance within 500 hours time in service after 1 March 1963. As all affected aircraft would have been modified, this AD is no longer required.
