
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/CESSNA 188/12.

Cessna 188 (Agwagon) Series Aeroplanes

AD/CESSNA 188/12 **Mixture Control Cable Assembly** **8/2008**

Requirement: CANCELLED.

This AD is cancelled on 31 July 2008.

Background: This unique Australian AD, issued in 1969, required installation of an improved mixture control cable assembly in accordance with Cessna Service Letter SE 69-1. The AD compliance was within 100 hours time in service after 12 May 1969. As all affected aircraft would have installed the mixture control cable assembly by now, the AD is no longer required.
