

Cessna 206 Series Aeroplanes

---

**AD/CESSNA 206/12**  
**Amdt 4**

**Aft Tailcone Assembly**

**12/85**

Applicability: All model 206 Series Serial Nos. P2060001 to P2060647 and U2060001 to U20601905.

Requirement: Action in accordance with Cessna S.L. SE72-29.

Compliance: As detailed in the requirement document.

*Note: Inspections carried out in accordance with the previous issues of this Directive may be taken as meeting the requirements of Cessna SL SE72-3.*

Background: This Directive is amended to reflect the manufacturer's modification to the subject structure during production of aircraft with subsequent serial numbers.
