## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/A320/10.

---

### Airbus Industrie A319, A320 and A321 Series Aeroplanes

**AD/A320/10**

**Standby Pitot Line**

**12/2009**

Requirement: CANCELLED.

This AD is cancelled on 19 November 2009.

Background: This AD, raised in 1990 against Airbus Industrie Service Bulletin (SB) A320-34-1006 Rev.1, required alteration of pitot system lines to avoid low points. Compliance was required prior to 31 December 1990.

As all affected aircraft would have been inspected, and, if necessary, modified long ago, this AD is no longer required.
