## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/A320/60.

---

### Airbus Industrie A319, A320 and A321 Series Aeroplanes

**AD/A320/60**

**Hydraulic Fire Shut-Off Valve**

**11/2004**

Requirement: CANCELLED.

This AD is cancelled on 28 October 2004.

Background: This Directive required a one off test of certain fire shut off valves. This requirement was to be completed prior to 31 December 1995. The actions required by this Directive have been adequately addressed.

James Coyne  
Delegate of the Civil Aviation Safety Authority

16 September 2004
