

---

**AIRWORTHINESS DIRECTIVE**

---

On the commencement date specified below, and for the reasons set out in the background section, this airworthiness directive (AD) is repealed by CASA ADCX 008/20.

---

**Electrical Equipment Miscellaneous (including Magnetos)**

**AD/ELECT/23      Nickel Cadmium Batteries with Polystyrene      16/2020**  
**Cell Cases - Inspection and Replacement**

Requirement:      CANCELLED.

This AD is cancelled on 14 August 2020.

Background:      This AD is cancelled because the affected batteries would have exceeded the average battery lifespan by 5 times. Within this time the separator material in the battery would have deteriorated to the point it would no longer function as a power source and would no longer be in service.
