**AD/FMS/1**

**Honeywell Flight Management Systems**

**4/95**

CANCELLED.

Background: This Directive only applied to Navigation Data Base Cycle 9104 or earlier (each data base cycle is only valid for 28 days). As Cycle 9104 became effective on 4 April 1991 and was superseded by Cycle 9105 on 2 May 1991, this Directive no longer applies.
