
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PDH/2.

Propellers - Variable Pitch - De Havilland

AD/PDH/2

**Model 3/1000/2 - Propeller
Retaining Nut - Inspection**

4/2009

Requirement: CANCELLED.

This AD is cancelled on 9 April 2009.

Background: This unique Australian AD was raised prior to 1965 against De Havilland Technical Bulletin Series (TNS) 3HFB No. 50 requiring an inspection of the propeller retaining nut.

Compliance was as detailed in the requirement document.

Given the extended period this AD has been promulgated, this AD is considered to be no longer required.

James Coyne
Delegate of the Civil Aviation Safety Authority

24 February 2009
