## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PHZL/39 Amdt 1.

### Propellers - Variable Pitch - Hartzell

**AD/PHZL/39  
Amdt 1**

**Propeller Damper - Replacement**

**4/2009**

Requirement: CANCELLED.

This AD is cancelled on 9 April 2009.

Background: This unique Australian AD was raised in 1976 requiring replacement of C-1576 propeller damper assemblies fitted to Hartzell HC-C2YK-2CG( )/( )C7666A-2 and HC-C2YK-2CLG( )/( )JC7666A-2 propellers. Hartzell Service Bulletin (SB) 110A was noted and has since been cancelled.

Compliance was before installation on an aircraft following each reconditioning completed after 30 April 1976.

As AD/PROP/1 requires overhaul of propellers to be in accordance with manufacturers instructions and the TBO for propeller dampers is contained in Hartzell Service Letter (SL) 61-61 (presently at Revision X), this AD is considered to be no longer required.
