
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/RES/11 Amdt 1.

Restraint Equipment

AD/RES/11 **Eon Corporation E8000 Buckle Assemblies** **4/2009**
Amdt 1

Requirement: CANCELLED.

This AD is cancelled on 9 April 2009.

Background: This unique Australian AD was raised in 1987 requiring all EON Corporation seat belts fitted with E8000 buckle assemblies manufactured to TSO C22 to be removed and replaced. Compliance was required prior to the issue of the next Maintenance Release after 31 July 1987.

As all affected seat belts will have been replaced by now, this AD is no longer required.
