
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/RES/15.

Restraint Equipment

AD/RES/15 Pacific Scientific Dual Tension Reel Assembly 4/2009
P/Nos 0109101-01, -03, -05, -07 - Modification

Requirement: CANCELLED.

This AD is cancelled on 9 April 2009.

Background: This unique Australian AD was raised in 1983 against Pacific Scientific Service Bulletin (SB) No. 0109101-25-01 requiring a modification to Pacific Scientific dual tension reel assemblies P/Nos. 0109101-01,-03,-05 and -07.

Compliance was required within 100 hours TIS after 30 November 1983 or at the next scheduled inspection for maintenance release after 30 November 1983 whichever was later.

As all affected aircraft would have been modified long ago, this AD is no longer required.
