## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/RES/16.

---

### Restraint Equipment

**AD/RES/16**                      **Safety Harness End Fittings - Davis Aircraft**                      **12/2007**  
**Products P/N FD 1497M - Removal From**  
**Service**

Requirement:    CANCELLED.

This AD is cancelled on 22 November 2007.

Background:    This AD required the removal from service of safety harness end fittings that did not meet manufacturer's specification. These fittings were recalled by the manufacturer. The AD was issued in January 1984 to ensure these end fittings were taken out of service. The AD is now obsolete.
