## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/RES/18.

---

### Restraint Equipment

**AD/RES/18**

**Securaiglon (Ex L'Aiglon)  
Safety Belts - Modification**

**4/2009**

Requirement: CANCELLED.

This AD is cancelled on 9 April 2009.

Background: This unique Australian AD was raised in 1984 against TRW RAPA SA, Service Bulletin (SB) No. 01 requiring a modification to Securaiglon (ex L'Aiglon) passenger safety belt type 343, 343A, B and C to prevent failure of the buckle to unlock.

Compliance was required prior to 31 January 1985.

As all affected aircraft would have been modified long ago, this AD is no longer required.
