

Seats and Berths

---

**AD/SEATS/6**

**Aviatech Flight Crew Seats**

**7/91**

**Applicability:** Aviatech Inc. pilot & co-pilot seats Model 394, P/N's 394-(000)-01, -02, -03, -04, -05 and -06, and 394-(001)-01, -02, -03, -04, -05 and -06, approved by Transport Canada under TSO Design Approval C39A used on de Havilland DHC-8 aircraft.

**Requirement:** Action in accordance with the Requirements of Transport Canada AD CF-91-04.

*Note: Aviatech SB 2 Rev A refers.*

**Compliance:** Prior to 1 September 1991.

**Background:** There have been cases of excessive wear and fraying of the pilot and co-pilot shoulder harness caused by rubbing of the shoulder harness on the guides located on top of the seat-back. Compliance date required by Transport Canada is extended by one month due to receipt date of Canadian Directive.
