

Seats and Berths

AD/SEATS/9

**PTC Seating Products Division
B/E Aerospace Model 950**

12/96

Applicability: PTC Seating Products Division, B/E Aerospace model 950 equipped with a footrest assembly.

Requirement: 1. Remove footrest assembly arms P/N 98440-1, or -2, in accordance with PTC Aerospace SB 25-1192 Rev A.
2. Install conversion kit P/N 122966-1 in accordance with PTC Aerospace SB 251330.

Note: FAA AD 96-12-09 refers.

Compliance: Before 12 June 1997.

Background: This Directive is prompted by finger injuries that have occurred during attempts to either extend or retract the footrest assembly.
