
AIRWORTHINESS DIRECTIVE

For the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/WHE/1.

Wheels and Tyres

AD/WHE/1 Firestone Tyres - Inspection and Replacement 11/2003

Requirement: CANCELLED.

Background: This AD was first raised in 1978 and required certain serial number tyres to be removed from service by the end of October 1978. Since all the listed serial number tyres should have now been removed from service, the AD is now redundant. Any tyres that may have been imported after this date would now be well past their shelf life and not able to be fitted.

David Villiers
Delegate of the Civil Aviation Safety Authority
