**AD/HS 125/1                      Flight Control Castings - Modification                      7/2010**

Requirement:    CANCELLED.

This AD is cancelled on 22 April 2010.

Background:    This AD was raised in 1966 against Hawker Siddeley Aviation Service Bulletin (SB) 125-57-21 requiring a one-time inspection of flight control castings. Compliance was required by 31 March 1966.

As this AD has been promulgated for an extended period of time it is considered to be no longer required. This AD is therefore cancelled.
