

British Aerospace BAe 125 Series Aeroplanes

---

**AD/HS 125/93**

**Electrical Power - DC Bus Tie System**

**8/88**

Applicability: All BAe 125 aircraft post mod 251335.

Requirement: Action in accordance with BAe 125 SB 24-264.

Compliance: Prior to 6 October 1988.

Background: BAe have advised that a case has occurred where the PS1 and PS2 DC bus bars remained electrically connected with the bus-tie contactor opened.
