
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, this AD is revoked by CASA ADCX 003/10.

British Aerospace BAe 125 Series Aeroplanes

AD/HS 125/118 Fire Extinguisher Electrical Connectors 6/2010

Requirement: CANCELLED.

This AD is cancelled on 22 April 2010.

Background: This AD was raised in 1991 against British Aerospace Service Bulletin (SB) 26-31 requiring an inspection of the engine fire extinguisher electrical connections for security, identification tags and wire locking. Applicability was all BAe 125 800 series, 700 series and earlier series retro-fitted with Garrett engines pre-mod 253274A. FAA AD 91-19-05 was applicable. Compliance was required prior to 31 October 1991.

As this AD has been published for an extended period it is no longer required. This AD is therefore cancelled.
