

British Aerospace BAe 125 Series Aeroplanes

AD/HS 125/127
Amdt 1

Cabin and Toilet Fluorescent Lighting

9/92

Applicability: All HS 125 aircraft specified in the Requirement Document.

Requirement: IAW CAA (UK) mandatory BAe SB SB.33-45-25A027A&B Revision 2.

Compliance: As specified in the Requirement Document with a revised compliance date of 31 September 1992 for Australian registered aircraft.

Background: This modification introduces power units with an integral circuit for system fault protection. The units will provide protection against faults which may cause overheating of components, wiring. Amendment 1 is issued to reflect a revision in the Requirement Document which renders the compliance with Mandatory Inspection SB.33-43 and requirement for repeat inspection in the Maintenance Schedule no longer necessary.
