
AIRWORTHINESS DIRECTIVE

On the effective date specified below, and for the reasons set out in the background section, this AD is revoked by CASA ADCX 007/12.

British Aerospace BAe 3100 (Jetstream) Series Aeroplanes

AD/JETSTREAM/34 **Airworthiness Limitations** **6/2012**
Amdt 2

Requirement: CANCELLED.

This AD is cancelled on 23 March 2012.

Background: This Directive, at initial issue, was raised to formally promulgate the Airworthiness Limitations. Since the issue of that Directive, the manufacturer has included requirements which supersede those mandated by Amendment 2 of this AD. CAO 100.50 Paragraph 9 requires an operator to comply with the Airworthiness limitations section document issued by the manufacturer. Therefore the actions previously detailed in this Directive are no longer required.
