

British Aerospace BAe 3100 (Jetstream) Series Aeroplanes

AD/JETSTREAM/73

**Main Landing Gear Pintle
to Cylinder Interface**

12/96

Applicability: CANCELLED.

Background: This directive was initially issued as a one time inspection pending BAe investigation. The investigation has resulted in a requirement for repeat inspections. These are addressed at AD/Jetstream/69 Amdt 2. UK CAA AD 005-03-96 also refers.
