

Gates Learjet 35 and 36 Series Aeroplanes

---

**AD/LEARJET 35/29**

**Retirement Life - Fatigue  
Critical Components**

**7/95**

Applicability: All Learjet 35 & 36 series aeroplanes.

Requirement: Retire from service, at or before the times specified therein, all components listed in the Learjet 35 & 36 series Maintenance Manual, Revision 61, Chapter 5, Section 5-11-00.

Compliance: This Directive is effective 22 June 1995.

Background: This Directive reflects the manufacturer's mandatory retirement life schedule for fatigue critical components.
