## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/HU 269/47.

---

### Schweizer (Hughes) 269 Series Helicopters

**AD/HU 269/47      Main Rotor Blade Root Fitting Bolts - Main      5/2009**  
**Rotor Blade Damper Bolts - Inspection**

Requirement:      CANCELLED.

This AD is cancelled on 7 May 2009.

Background:      This unique Australian AD was raised in 1974 against Hughes Service Information Notice (SIN) No. N-119 requiring an inspection to determine if the correct bolts were installed in the blade root fittings and main rotor blade dampers.

Compliance was: Within 50 hours TIS after 30 August 1974.

This AD has been sufficiently promulgated for the affected aircraft to have been inspected by now; therefore this AD is considered to be no longer required.

James Coyne  
Delegate of the Civil Aviation Safety Authority

27 March 2009
