## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/HU 269/59.

---

### Schweizer (Hughes) 269 Series Helicopters

**AD/HU 269/59**

**Cockpit Placard - Removal**

**5/2009**

Requirement: CANCELLED.

This AD is cancelled on 7 May 2009.

Background: This unique Australian AD was raised in 1977 requiring removal of engine RPM/Altitude limitation placard. Note, Hughes Service Information Notice (SIN) No. N-134, Part 111, C-modifications, sub-paragraph 1(a) refers.

Compliance was: Within 100 hours TIS after 31 July 1977.

This AD has been sufficiently promulgated for the affected aircraft to have been modified by now; therefore this AD is no longer required.

James Coyne  
Delegate of the Civil Aviation Safety Authority

27 March 2009
