## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/HU 269/88.

---

### Schweizer (Hughes) 269 Series Helicopters

**AD/HU 269/88**

**Collective Pitch Mixer Bellcrank**

**5/2009**

Requirement: CANCELLED.

This AD is cancelled on 7 May 2009.

Background: This AD was raised in 1987 against Schweizer Service Information Notice (SIN) No. N-204. It required a one-time inspection to check that the correct collective pitch mixer bellcranks had been fitted. Compliance was required at the next scheduled inspection for issue of Maintenance Release after 31 October 1987.

As all affected aircraft would have been inspected, and, if necessary, modified long ago, this AD is no longer required.
