## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/HU 369/32.

---

### McDonnell Douglas (Hughes) and Kawasaki 369 Series Helicopters

**AD/HU 369/32**

**Seat Belt Assemblies - Inspection  
and Replacement**

**6/2009**

Requirement: CANCELLED.

This AD is cancelled on 4 June 2009.

Background: This AD was raised in 1978 against Hughes Service Information Notice (SIN) No. DN-26. It required a modification by replacement of some seat belt assemblies. Compliance was required within 100 hours TIS after 2 October 1978.

As all affected aircraft would have been inspected, and, if necessary, modified long ago, this AD is no longer required.

David Villiers  
Delegate of the Civil Aviation Safety Authority

17 April 2009
