## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/HU 369/65.

---

### McDonnell Douglas (Hughes) and Kawasaki 369 Series Helicopters

**AD/HU 369/65**

**Fargo Auxiliary Fuel Tanks**

**6/2009**

Requirement: CANCELLED.

This AD is cancelled on 4 June 2009.

Background: This unique Australian AD raised in 1986 against Hughes Service Information Notice (SIN) No. DN-138, EN-26, FN-14 and Fargo Service Notice No. 2 Revision 1 required removal of Fargo auxiliary fuel tank, P/No AW1066-1082, for inspection for fuel leaks.

Compliance was: Before further flight and before installation of tank in an aircraft.

This AD has been sufficiently promulgated for the affected aircraft to have been inspected by now; therefore this AD is considered to be no longer required.

James Coyne  
Delegate of the Civil Aviation Safety Authority

24 April 2009
