## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/HU 369/66.

---

### McDonnell Douglas (Hughes) and Kawasaki 369 Series Helicopters

**AD/HU 369/66**

**Eon Corp. Seat Belt Assemblies**

**6/2009**

Requirement: CANCELLED.

This AD is cancelled on 4 June 2009.

Background: This AD, raised in 1986 against McDonnell Douglas Helicopter Service Information Notice (SIN) No. DN-141, EN-29 and FN-18, required replacement of seat belt assemblies. Compliance was required prior to issue of next maintenance release after 31 August 1986.

As all affected aircraft would have been modified long ago, this AD is no longer required.

David Villiers  
Delegate of the Civil Aviation Safety Authority

17 April 2009
