Aero Resources J2 Series Gyroplanes

AD/MCH/3 **Door Handle Operating Instructions** **9/2009**

Requirement: CANCELLED.

This AD is cancelled on 27 August 2009.

Background: This AD, raised in 1974, required a modification by installation of door operating instructions to comply with requirements contained in superseded certification legislation. Compliance was required before of a certificate of airworthiness.

The requirements of this AD have been superseded and are now covered elsewhere. This AD is no longer required.
